### **\*Course Evaluation\***

**\*\*\*\*This is a corequisite/joined class. Therefore, the grade earned in ENGL 1301 will be the same grade awarded in INRW 0300 and vice versa.\*\*\*\***

\*\*\*\**While a "D" is considered passing the course, for students needing ENGL 1302 (Comp II) for their majors, a grade of C or better will need to be earned.*\*\*\*\*

The grades you receive on your assignments, quizzes, homework, digital work, drafts, revisions, papers, and participation activities are indicators of your progress toward college-level reading and writing. Students will be asked to keep an ongoing record of these grades. Additionally, **it is each student's responsibility** to continually monitor academic progress posted in each student's grade book on Blackboard.

**Grades are determined by the following scale:**

90-100 = A

80-89 = B

70-79 = C

60-69 = D

0-59 = F

*\*\*I only round up to the next whole number when a student's final average is at a 59, 69, 79, or 89. Example: a 79.3 = 80.*

### **\*Attendance in the Online Course\***

Because this is an online class, your participation is tracked through things like logging in, interacting with the materials, and completing assignments.

- Any student who has not submitted an assignment and/or discussion post by the twelfth (12) class day, January 31, 2023, will be marked as having “never attended” for both the ENGL 1301 and INRW 0300 sections. This will drop the student from the roster.

***I rarely drop students from courses (other than for not submitting work by the 12<sup>th</sup> class day). Only in extreme cases (i.e., foul language, inappropriate behavior, inappropriate comments, disrespectful language/behavior towards me and/or the class), will you be dropped. Therefore, please make sure that you withdraw from the course if you are not succeeding in the class!***

---

### **\*Grading Policy/Late Work/Attached Files Policy/Appropriate Files Policy\***

- You are expected to submit quality, college-level work, free from errors and slang, on the date on which assignments are due (please see an overview course schedule and Blackboard modules).
- You are expected to keep all material from the class during the course of the semester.
- Grades are updated weekly and entered into the Blackboard grade book.
- It is the student’s responsibility to monitor their grades and progress.
- Turnaround time for grading is two weeks (generally sooner).
- **\*\*\*\*IMPORTANT!!!\*\*\*\* *Please ONLY upload essays in PDF or Word versions! I WILL NOT/CANNOT accept any assignments or essays in Pages (or software programs other than Word, Google Docs, or PDFs). A grade of 0 will be entered in the grade book for any document in a format in which I cannot download/edit/read, which includes Pages for Mac users.***
- Please upload assignments through the assignment link and essays through Turnitin (both in Blackboard), unless otherwise noted. I am not responsible for lost or misplaced essays, or essays or assignments that are awarded a 0, because they were uploaded to the wrong area.
- I am not responsible for paper/homework that is not attached when submitting an assignment. If you submit a blank document, this will be considered a 0. You

will be able to resubmit any assignments within 1 day of the assignment deadline (with the exception of essays and drafts).

---

### **\*Late Work Policy\***

- **For assignments/homework ONLY, you will be allowed to submit assignments up to 1 day late.** I will send you a reminder that will be emailed to your SPC email. You will have until the following day (11:59 pm, CST) to submit the missing assignment. After that, a grade of 0 will be recorded in the grade book. This does not apply to discussion boards, essays, or drafts.
- **No research papers (draft or final) will be accepted late** without written permission from the instructor. You will need to email me BEFORE a deadline, not afterward, if you would like me to consider any extension due to an unforeseen circumstance.
  - Turnitin creates a digital receipt when you submit an essay. This will be emailed to your SPC email. It is YOUR responsibility to keep these emails from Turnitin. Should there be a question of essay submission, I will ask to see this receipt. Without it, a grade of 0 will be entered in the grade book for a missing essay.

If a student is dealing with an unforeseen circumstance (e.g., a death in the family or an illness), the student should contact the instructor immediately before the due date of an assignment. The instructor reserves the right to request appropriate written documentation (e.g., doctor's note). Please do not assume that the instructor will change the date of an assignment, or extend the date, due to an unforeseen circumstance. *It is only at the instructor's discretion that due dates may be amended or extended.* If a date is changed, it will only be changed/amended/extended once. After that, a grade of 0 will be given for additional missed assignments.

---

### **\*Essay Policies/Reading & Writing Activities – Requirements\***

- You are expected to turn in every part of an essay and/or assignment according to the dates listed on the course outline, noted on the essay and/or assignment instructions, and listed in Blackboard.
- Essays are expected to be complete when submitting draft and revised versions. Complete means that the drafts and revised versions adhere to paragraph and word lengths as outlined in the instructions for each paper.
- Drafts will be graded using a draft rubric; final versions will be graded using the research paper rubric.
- Assignments are graded with assignment rubrics, provided in Blackboard.
- All research papers (drafts, revisions, and all parts) must be in APA format.

- Drafts and revisions will be submitted through the Turnitin system through Blackboard. Turnitin is a plagiarism and grading platform.
- Essays WILL NOT be accepted late unless permission has been granted ahead of time by the instructor.
- REMINDER!!! Essays will ONLY be accepted in Microsoft Word and PDF versions, uploaded through Turnitin.
- Essays in Pages for Mac, or another word processing software OTHER than Word or PDF, will not be accepted. Turnitin cannot open/read/grade these documents.
- I reserve the right not to provide feedback on a draft essay that has been submitted late, and/or for a draft essay for which the student has not met with me to review feedback and/or has not consistently submitted assignments to learn and apply the workshop-based lessons learned.
- Only students who submit a draft by the deadlines posted in Blackboard for each essay may participate in the peer review graded activity for that particular essay.
- I strive to provide thorough feedback on drafts; however, the feedback is designed to assist students in learning how to revise and edit papers. The feedback is not exhaustive; therefore, it is the student's responsibility to edit and revise papers, ask questions, seek help, meet with tutors, etc., to revise papers appropriately and comprehensively.
- I may request additional information from students (i.e., all links for sources, drafts written, notes kept, etc.). Please keep ALL work related to this class!

### **\*Discussion Board Requirements\***

- During discussion board weeks, a discussion post (the initial question to answer that week) will appear in your small group discussion section by noon on Monday for the start of each week.
- You will have until:
  - Thursday of that same week to answer my discussion question. This must be a minimum 100-word reply and meet that week's discussion board requirements.
  - Sunday of that same week to reply to a peer in your discussion group. This must be a minimum 50-word reply.
- I award 75 points for a 100-word minimum post that addresses the question/requirements for that week's post AND is posted by the deadline (Thursdays, 11:59pm).
- I award the remaining 25 points for a 50-word reply post to a peer that meets the deadline (Sundays, 11:59pm).
- Discussion posts are not accepted late and do not fall under the 24-hour late policy! Please plan this accordingly with your schedule.

## **\*Plagiarism and Cheating: Definitions and Policy\***

Students are expected to do their own work on all projects, quizzes, assignments, digital homework, exams, and papers. Failure to comply with this policy will result in an F for the assignment and can result in a n F for the course, and/or a referral to the Dean of Students.

**\*\*Please do not, under any circumstances, turn in a paper, whether whole or in part, that is not your own.**

**\*\*Please do not turn in a previously written paper that you wrote for another course.**

**\*\*Please do not, under any circumstances, turn in a paper, whether whole or in part, using any generative AI technology (i.e., ChatGPT, Nova GPT, etc.)**

Please see the information below related to plagiarism and cheating.

### **What is Plagiarism?**

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail-order term paper mill;
2. Turning in a paper/project/assignment that someone else completed for you;
3. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
4. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
5. Missing in-text citations.
6. Taking an essay/paper/assignment you wrote for another class (whether for me or another professor) and submitting it again in this class.

### **What Constitutes Cheating?**

**Cheating violations include, but are not limited to, the following:**

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet) during an examination, quiz, or homework assignment;
4. Entering an office or building to obtain unfair advantage;
5. Taking an examination for another and/or having someone else take an exam for you;
6. Altering grade records;
7. Copying another's work during an examination or on a homework assignment;
8. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;

9. Taking pictures of a test, test answers, or someone else's paper;
10. Utilizing Chat GPT, and/or any type of generative AI device to write parts or all of an assignment.

### **\*Generative AI Policy\***

Artificial Intelligence (AI) can be helpful for students to use as a springboard or brainstorming tool. However, **it cannot replace the critical thinking, creativity, and independent work that are expected for assignments submitted in this class and that are integral to your academic growth.** Submission of an assignment composed by AI is considered a violation of academic integrity.

Students are expected to do their own work on all projects, quizzes, assignments, digital homework, exams, and papers. Failure to comply with this policy will result in an F/0 for the assignment and can result in an F for the course, and/or a referral to the Dean of Students.

**South Plains College's AI policy may be found here:**

<https://www.southplainscollege.edu/syllabusstatements/>

**Generative AI policy:** Our Turnitin system utilizes an AI checker. Should an essay/assignment be flagged as having used AI, and/or, if the submitted work differs greatly from previously submitted work, the student will be notified by the instructor for further consultation and discussion. Depending on the situation (and only in a "first offense" situation), the student may be provided a short window of time in which to rewrite the essay using no AI devices (including things such as Grammarly, Microsoft Word editor, and even translator software). If they refuse this option, students will be awarded a 0 for that assignment.

Additionally, I may request additional information to support that a student did not use AI device software (i.e., ask for all links for sources, drafts written, notes kept, etc.). Please keep ALL work related to this class!

Should an additional occurrence of AI usage occur, the student will be awarded a 0 for the assignment, an F in the course, and an administrative drop (with an F) from the course.

---

### **\*SPC Institutional Policies\***

**Attendance:** Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college, or an official activity, the instructor may permit the student to make up work missed. **It is the student's responsibility to complete work missed** within a reasonable period of time

as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first-class meeting.

Students who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

---

**Academic Integrity:** It is the aim of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present assignments that he or she has not honestly performed is regarded as a serious offense. The offender is liable to the consequences for cheating and plagiarism as described in the SPC catalog in sections, “Academic Integrity” and “Student Conduct.”
